Att: Residents of Esopus Fire District

The New York State burn ban is set to expire on Wednesday May 15th 2024, as of that date we will be issuing burn permits again. The best way to obtain a burn permit is to email burnpermit@esopusfd.com or stop at the firehouse on the 2nd-4th Thursday evening at 7pm and one of the officers will be happy to assist you. We appreciate your cooperation in this process.

Thank you,

Michael Camuto
Chief of Esopus Fire Department
